Highlights

Grade K Coed

Mexico: Mexico had a great week and showed so much excitement all day long - Sophia played with a lot of energy and hustle and Mason went after the ball all game long. Avery did a great job of changing direction and finding the back of the net. Travis and Leah showed aggressive play and speed - Ben always seemed to be involved and showed some good dribbling. Nice job, Mexico!

Germany: What a great day for Team Germany! The players are really getting comfortable on the field and with their teammates. Savannah and Evan both did a great job passing to their teammates and getting into the play. Yvette's defense got the ball up the field and finished with goal by Max. Finn showed off his skills by being aggressive and bringing the ball up the field.

Colombia: Team Colombia had another great game against a tough Argentina. Sanaya was hustling all over the field and most improved from week 1. Kate had a great game and was up and down the field with amazing speed helping to keep possession with Colombia and the whole team energized. Special thanks to John K for helping the coaches out and keeping the game on schedule.

Portugal: Team Portugal had another great week! Our players are shooting the ball a lot more often and with greater accuracy - well done! Sadie and Logan had a big game and scored many goals. Chloe and many other kids have great field sense and are learning how to move around on both offense and defense. A very big thank you to Leo who stepped up and helped coach our team on Sunday!

Canada: Team Canada had an amazing third week. The kids came to play against a great Team USA. They work well moving the ball around. Ty and Alex had multiple goals each and Gracie and Kyle scored too! Kayla and Brandon played aggressively and Maddox was a superstar on defense. Rowan and Gabe had some awesome kicks. Go Team Canada!

Grade 1 Coed

Mexico: Great hustle shown this week by the entire team in a defensive battle. Ellie and Cole scored goals. Jayden had his best game of the season. Great team defense helped to protect the net, and stop numerous breakaways. Team Mexico is showing improvement every week.

Colombia: Week 3 was an exciting game against New Zealand. The players are beginning to show the ability to play as a team. Special shout out needs to go to Cason, Matthew and Ariana for their goals scored and defensive play.

Canada: What a great game, the players are really adjusting to the big field and spreading out playing positions. This is amazing for this age and they all deserve a big congratulation for playing as a team. As difficult as it is to point out, a few individual efforts that I want to point out are Sean for his great effort and consistent play on the ball, Kody for his amazing play on defense throughout the entire game and Hayden's multiple attempts on getting the ball to the goal. GREAT GREAT JOB !!!!

Portugal: Team Portugal played USA this past Sunday. It was a beautiful day for soccer and we had great time playing our game. Team Portugal has a few skilled players that are actually passing and distributing the ball to the rest of the team. One name that stood out this week was Baron, who has scored a goal in each of the first three games this season. Great Job Baron!

Germany: Germany had a great game and it was impressive to see many of them implementing the drag-back move that they had learned in practice this week! Michael scored a fantastic goal on a pass from his teammates and Maddie showed tenacity on defense! Ethan really hustled on both offense and defense!

Argentina: Argentina played a terrific competitive game last week. Herson scored his first goal of the season. Our players showed lots of determination. Jamie, Gavin, Arabella, and Kamdyn put in their best effort to score some goals and get lots of touches on the ball. Every week just gets better and better!

Grade 1 Coed Cont.

France: Week 3 matched Team France up against a feisty Argentina squad. France was able to control the ball well early, which allowed them to keep the pressure on Argentina's defense. The offense was lead by Rhyse, Cameron and Jeremy who each took advantage of loose balls and put numerous shots on net. Defensively, Devyn, Isabella and Abigail showed great hustle and effort controlling the ball and passing it up to the offensive zone. Overall, Team France showed great improvement over prior weeks and did a great job spreading out and keeping proper spacing throughout the field.

Grade 2 Girls

USA: Another amazing week for Team USA girls! The team is quickly adopting the "playing as a team" mind set by utilizing passes, getting open to receive a pass and taking shots on goal. The girls hustled and played hard to keep the ball on the opposing side for most of the game and pulled out another win. Keep up the good work USA!

Portugal: Week three brought cool weather, but play was hot on the field. The girls were focused during our warm ups, and couldn't wait to play. During the game all of the girls played their hearts out, and are learning all of the positions. A couple of standouts this week were Faith, who showed no fear in the net, and Emma, who is really coming in to her own. A thank you goes out to Adelle's mom, who has been supplying the team with orange slices for the games this year.

Grade 3/4 Boys

USA: Another great game for the boys. Some great defensive break ups by Hassan and Antonio kept the opponents shots on goal down and Victor made a couple great saves. Offensive players are showing more poise on the field weekly.

Brazil: What a win by Brazil this week - Janiel netted a hat trick and was very involved and quick at the start. He and Jayden worked very well together - with Jayden getting an assist and a goal. Sam played with lots of energy and was all over the field and John had some opportunities he created that had the whole time moving up the field. Great week, Brazil!

Grade 2 Boys

New Zealand: Team New Zealand 2nd grade boys had another great game this week against Brazil! The boys showed their increasing skills with passing the ball and sharing the field. Most of the boys ran hard and hustled to help out on defense. Carlos again showed his wonderful dribbling skills!

Brazil: It was Brazil's best game to date as the team continues to improve. The Brothers of Constant Motion, Kristian and Kayden, played an excellent two-way game. Arthur showed more of his determination for getting the ball. Brayden and Will both found themselves more involved in the play as they continue to grow.

Germany: Team Germany had a stronger showing against team Columbia. The team is starting to work together and understand a little more of the game and positions. Nelson had a great half in goal with several saves and a great second half on the field. Jacoby displayed amazing hustle and control on offense with several close calls and shots on goal. The team is improving each week and looking forward to the next game on Sunday.

Grade 3/4 Girls

Portugal: Good game against Argentina. Portugal lost 0 - 2. We played a hard tough game with excellent goalie work by Ashlynn and Sam. Good offense and defense plays by Keira, Ocean, Laura, Jackie, Annayah, Melissa, Scarlett, Allison and Caitlyn.

Argentina: This team improves with each passing game. Ball control was outstanding! Thanks to Lana and Lillian the ball never found the back of Argentina's net!!

Brazil: Brazil is still looking for the back of the net after week 3. Elizabeth made some great stops in goal, going to the ground on several occasions to smother the ball. Annabelle picked up the goaltender duties in the second half distributing the ball well to teammates and space. Meghan made some tremendous advances up front jump starting the counter with quick throw ins. Laila also found some space to run with the ball up front to help with the attack.

Grade 3/4 Boys Cont.

Argentina: Team Argentina lost a tough match against USA. All the kids played hard especially in the 2nd half. I was proud of the hustle and effort.

Canada: With excellent teamwork the boys in red pulled off a shutout. Our defenders were unstoppable. Avi and Aiden with a shoulder and a belly save! Owen H and Owen K holding our goal strong! Awesome game team Canada even better teamwork!

Portugal: Team Portugal had some nice scoring opportunities in this game, the best shot by Chris. We fell short against team Canada. Adam and Sawyer played goal.

Grade 7/10 Coed

USA: Team USA lost a tough one Argentina 8 -0. Argentina was a great team on and off the field, checking in on our goalie Steve after the game to make sure he was OK. Kudos to Coach Mike from Argentina on a great game. Rising star for team USA was Matt who showed a lot of heart and hustle. Jackie and Janda were also stars stepping up to play goal. Jackie has improved week to week on her defense. Maia also played fantastic on defense. A great moment from Team USA came from Rohan, keeping his team upbeat in the face of adversity on the sidelines. Rohan's positive attitude reflects the spirit of team USA; a great group of kids whose first win will be sweeter than a hot fudge sundae!

Portugal: Teams Portugal and Brazil played in a nail biter with Portugal scoring the only goal with a minute left. George was in exactly the right spot to make a left-footed shot past the goalie after it caromed off a defender in front of the goal. George and Paulina were both excellent in goal as they each turned away many Brazil shots toward the goal. Special kudos to Austin, Paulina, and especially Meghan and Delaney for their excellent defense throughout the game as they broke up many Brazil breakaways. Thanks to Team Brazil for such an exciting game.

Brazil: Brazil played a strong game on both sides of the field. All 14 players put all that they had into the match. With 40 seconds left Portugal scored ending the match with a 1-0 win. Looking back at all the games through the first three weeks it looks like it's going to be a very competitive league. We look forward to seeing all the teams for a second time.

Grade 5/6 Coed

Germany: Team Germany played really well in all phases and was able to win 6-1 over Team Mexico. The girls were unstoppable in the 1st half, with Ella (who also played great in net in the 2nd half) scoring 3 goals and Trinity adding her first 2 goals of the year. Charlie also added a goal in the 2nd half. Kyle and Annabelle had their best game of the year, making several great plays. Isabella and Jessica played terrific defense, limiting the number of quality chances. Robert played excellent midfield, hustling to the ball and helping maintain possession. Nick and Derik did a great job staying within their position and making some nice plays on both ends. And Colin was solid in net in the first half, keeping the opposition from scoring for the 2nd straight game. Overall everyone played extremely well and worked together as a team.

Colombia: Very exciting game played by Colombia and France, Team Colombia displayed good passes and created several opportunities for Goal. The Defense players Caleb, Jacob and Araya did an outstanding job hustling, recovering and passing. Goalies Christopher, and Andrew also helped to keep our goal safe. Good Job Team Colombia!

Canada: With our third game of the season we are already observing the kids applying what they learn during practice. This week Nick and Owen did a commendable job while serving as goalie. Kyra, Ninad, Eliana, and Jazlyn did an outstanding job on defense to protect our goalie. Jazlyn, in particular, had a few booming kicks that put New Zealand in check. Our offense: Anthony, Jack, Christopher, Gerti, and Vaidehi did an amazing job keeping the ball on our opponent's side of the field. Team Canada played hard and had fun! Congratulations to New Zealand on a great game!

Grade 7/10 Coed Cont.

Argentina: Argentina notched their 1st win of the season against a tough USA team. The offense got going early with some really great passing. There were six different players scoring goals, while the defense played it's best game of the season so far. Every player contributed to this win and it was great to see the team working together moving the ball and creating scoring chances.
