**KICKERS TOURNAMENT**

***Tournament Rules***

Attleboro Youth Soccer's Kickers Tournament is played under FIFA rules with any modifications made below.

**Field of play**

U10, U12 - Field will measure approx. 30 yards wide and 35 yards long. The goal size is approx. 6ft Wide by 3 ft. High (Pugg goal). Ball Size #4

U14 - Field will measure 35 yards wide by 40 yards long. Pugg goal will be used. Ball Size #5

*AYS reserves the right to adjust the sizes of certain fields for reasons of safety and maximizing the use of space available for the tournament.*

**Number of Players**

Each team will field a team of 4 players. The maximum roster size is 8 players. Dual rostering is not allowed.

**Goal Tending**

There is no goal keeper position in this tournament. No player on the field may handle the ball while on the field of play.

**Substitutions**

Substitution is "on the fly" from the centerline. The oncoming player must wait until the outgoing player slaps his/her hand.

**Player Equipment**

Shin guards are mandatory. All players must have matching numbered Shirts.

**Duration of the Game**

Each game will consist of (2) 15-minute halves with 3-minute break at half times at which time teams will simply switch ends.

**Offsides**

There is no offsides rule in 4v4.

**Goal Kicks**

Goal kicks will be taken from any point within the semi-circle approximately (3) yards in radius directly in front of each goal from any point on the defending goal line.

**Kick-ins**

If a ball goes out of bounds, the play will be restarted with a kick-in from the side line at the point the ball went out. There are no throw-ins for this tournament. If a goal results from the kick-in, the play is restarted with a kick-in for the opponent from the same spot.

### **Method of Scoring**

A goal is scored when the ball completely crosses the goal line and is contained within the Pugg net frame. Goals may be scored directly on goal kicks, corner kicks and kick-offs. Goals may not be scored directly on kick-ins.

### **Tie-Breakers**

All ties in standings will be broken by the following:

- 1). Head to head competition
- 2). Best goal differential
- 3). Least goals allowed
- 4). Coin toss

### **Fouls and Misconduct**

Fouls may result in indirect or direct kicks as described in FIFA rules. All indirect and direct kicks shall be taken from the point where the foul occurred. All direct kicks will be played with an unobstructed shot at the goal (no player from either team shall touch the ball once it is played). If shot is missed, a goal kick is awarded for the defending team. If the ball stays in play, an indirect free kick shall be awarded to the opposing team from where the ball stops.

No ball may be touched by a player in the semi-circle approximately (3) yards in radius directly in front of each goal. If a defender blocks a shot in this area, a goal is awarded to the opposing team. If an attacking player plays the ball in this area, a goal kick is awarded to the defending team.

FIFA rules apply to the issuance of yellow and red cards.

No player may act as a "pseudo" keeper; players will be warned twice during a match with the third infraction resulting in a red card to the team.

A red card or multiple yellow cards may result in ejection from the tournament at the discretion of the tournament director.

The "zero tolerance" policy pertaining to coaches and spectators behavior towards referees will be in effect.
